14. The principal By-laws are amended by substituting for by-law 25 the following by-law:

#### **“Certificate of completion and compliance**

25. (1) A certificate of completion and compliance in Form F as set out in the Second Schedule shall be issued by the principal submitting person –

- (a) when all the technical conditions as imposed by the local authority have been duly complied with;
- (b) when Forms G1 to G21 in respect of stage certifications as set out in the Second Schedule have been duly certified and received by him;
- (c) when all the essential services, including access roads, landscape, car parks, drains, sanitary, water and electricity installations, fire hydrants, sewerage and refuse disposal requirements and, fire lifts where required, have been provided; and
- (d) when he certifies in Form F that he has supervised the erection and completion of the building and that to the best of his knowledge and belief the building has been constructed and completed in accordance with the Act, these By-Laws and the approved plans.

(2) Upon the issuance of the certificate of completion and compliance, the principal submitting person accepts full responsibility for the issuance of the certificate of completion and compliance and he certifies that the building is safe and fit for occupation.

(3) The principal submitting person shall within fourteen days from the issuance of the certificate of completion and compliance or partial certificate of completion and compliance, as the case may be, deposit a copy of the said certificate and the Forms G1 to G21 with the local authority and the Board of Architects Malaysia or Board of Engineers Malaysia, as the case may be.

(4) Nothing contained in this by-law shall prevent the local authority or any officer authorized by it in writing for the purpose, from inspecting any building works at any stage thereof and calling attention to any failure to the building or non-compliance with these By-laws which he may observe and, giving notice in writing to the principal submitting person ordering such failure or non-compliance to be rectified.

(5) Subject to paragraph (4), the local authority may issue a directive in writing to the principal submitting person to withhold the issuance of the certificate of completion and compliance or partial certificate of completion and compliance, as the case may be.

(6) The principal submitting person shall within twenty-one days after the receipt of the notice issued in pursuance of paragraph (4) or such further period as may be approved by the local authority, rectify the failure or non-compliance.

(7) Where the principal submitting person has rectified the failure or non-compliance, he shall issue a notice to the local authority confirming that such rectification works have been satisfactorily completed.

(8) Upon receipt of the notice as mentioned in paragraph (7), the local authority shall within fourteen days from the receipt of such notice inspect the building to confirm that the failure or non-compliance has been satisfactorily rectified.

(9) Where the local authority is satisfied that the failure or non-compliance as stipulated in paragraph (4) has been satisfactorily rectified, the local authority shall issue a directive in writing to the principal submitting person to issue the certificate of completion and compliance or partial certificate of completion and compliance, as the case may be.

(10) Where the local authority does not carry out the inspection of rectification works in pursuance of paragraph (8) within the period as stipulated in that paragraph, it shall be deemed that the local authority is satisfied that the rectification works have been satisfactorily completed.

(11) Where the failure or non-compliance is not rectified by the principal submitting person within the period stipulated in paragraph (6), the local authority may itself cause any work to be executed or any measure to be taken if it considers such work or measure is necessary to rectify the non-compliance.

(12) The cost for executing such work or taking such measure as referred to in paragraph (11) shall be borne by the owner of the building.

(13) The certificate of completion and compliance or partial certificate of completion and compliance, as the case may be, shall not be issued by the principal submitting person until all the failures or non-compliances in respect of the building have been satisfactorily rectified.”.
